

Why don't you fools stop using your heads for self-administered colonoscopies. Leave the "NJ DO NOT CALL LAW" in effect as is. Since enactment of this law, unsolicited phone calls to my home have completely ceased. Stop worrying about Howard Stern, and Janet Jackson and worry about the tranquility and privacy of peoples homes. We can tune out Stern and Jackson, but not the money hungry telemarketers who wish to stage an invasion of our homes.

LEAVE THE DAMN LAW ALONE AND FIND SOMETHING IMPORTANT TO DO.

WILL MONEY INFLUENCE GOVERNMENT, AS SEEMS TO BE TOO OFTEN THE CASE IN OUR COUNTRY THESE DAYS.

To hell with the lobbyists!
